

COVID – 19 UPDATE

Message 57 | December 24, 2020

Ho! Ho! Ho!

Merry Christmas to you and your family!

May beautiful moments and happy memories surround you with love, joy and hope this Christmas.

We are better when we can come together and share experiences and memories, but this Christmas we need to safely celebrate apart. The safest way to spend the holidays this year is by only celebrating in person with the people in your own household and celebrating virtually with everyone else. If you live alone, consider celebrating with one additional household. Please don't let your guard down. Your family and your community is counting on you. We can sacrifice one Christmas so we may all be together to celebrate holidays next year.

Merry Christmas and all the Best for 2021!
