

COVID – 19 UPDATE

Message 30 | June 22, 2020

**Congratulations Class of 2020!**

**To all graduates I offer you congratulations, encouragement, and support.**

The Class of 2020 will go down in history! Your class will be recognized for your ability to overcome adversity. Your resilience and the spirit to weather difficult times are learned skills that will benefit you for a lifetime. You will emerge from this experience stronger than ever before. As you live your life you will make mistakes and you will fall down but how you get back up is what will define you. Remember that what other people think of you is never as important as what you think of yourself.

I hope you are proud of your achievements and I hope you are eager to face a world that will never be the same. You already have experience with that so you are well on your way.

You are our hope for the future. More than ever this is your moment, your generation's time to shape the world. The world is yours now. Pursue every ambition and go as far as you can dream. Follow your passion and create change because the world needs you!

Congratulations Class of 2020. The day you worked so very hard for, has arrived. We are all so proud of you and all you have accomplished over the years. The Town of Hanover is excited to see what the future has in store for you and what opportunities you will bring to our community in the future.
