PRECAUTIONARY BOIL WATER ADVISORY NOTICE

Issued by Town of Hanover

Effective Immediately

Due to an adverse water test result at the water treatment plant, the Town of Hanover has issued a Precautionary Boil Water Advisory.

This applies to all residents and consumers using water provided by the Town of Hanover water supply system.

Water for drinking or cooking should be heated to a rolling boil for 1 minute before use

OR

Use an alternative water source (i.e. bottled water)

Residents will be notified when the Precautionary Boil Water Advisory Notice is lifted via local radio stations and by announcement and posting on the Town of Hanover website at hanover.ca and social media.
