

TOWN OF HANOVER, 7TH AVENUE ELEVATED WATER STORAGE TANK CONTRACT: 123034

This Project is a Design/Build Contract for the design, construction, installation, testing and commissioning of a new 3600 m³ elevated water storage tank. The Contract includes all site work, structural, mechanical, electrical and instrumentation work required to provide a fully operating facility.

SEALED TENDERS, clearly marked as to content and on forms supplied by the Consulting Engineer, will be received by Ms. Vicki McDonald, Clerk, (**HARD COPY ONLY**) at 341, 10th Street, Hanover ON., N4N 1P5 until **2:00 pm local time on Tuesday, January 21, 2025**. All questions during tendering are to be directed to the Consulting Engineer at the email address provided below.

Electronic Plans, Specifications and Form of Tender may be obtained electronically from Ainley & Associates Limited by contacting Mr. Norman Sandberg at the address provided below. Tender questions are to be directed to Mr. Sandberg. All Tender submissions must be accompanied by a certified cheque or bid bond made out to the Town of Hanover, in the amount of \$250,000, which includes HST. The successful vendor must provide a 50 percent Performance Bond and 50 percent Labour and Material Payment Bond by an approved guarantee company. A completed Agreement to Bond form must accompany all submissions. The lowest or any tender may not necessarily be accepted by the Town.

A formal site visit will not be held. However, bidders are encouraged to visit the site on 7th Avenue at their convenience.
