

# DOG LICENCE & REGISTRATION

In accordance with Town of Hanover By-law No. 2819-13 and By-law No. 3186-21, all dogs over the age of three (3) months require annual licensing and registration.

To ensure we have correct information so that if your dog is missing we can return it to you, we ask that you complete the address form and return this notice, with your payment for your licence. Proof must be provided that your dog has been inoculated with an anti-rabies vaccine.

If you do not have a dog at your residence, please disregard this notice. If your dog was previously registered with the Town, but you no longer have a dog at your residence, please contact our office at 519.364.2780, in order that we may update our records.
