   CARRIED.

3. **BUSINESS ARISING FROM MINUTES - Nil**

4. **MUSIC IN THE SQUARE UPDATE** – performances continue to be successful although inclement weather has caused cancellations. It is recommended an evaluation of Music in the Square is added to the October meeting agenda to do a debrief on the program, explore sponsorship opportunities, times, booking the civic theatre as back up location, expand the entertainment line up and add potential partnerships.

5. **CULTURE DAYS 2022 | CIVIC THEATRE GRAND RE-OPENING** –

   5.1. Special feature recording for the video being produced in cooperation with Wightman will take place Aug 5. Mayor Patterson will do an introduction, the contractor will outline facility improvements, and will include submissions from Library, Grey Bruce Singers, Back Porch Events, Hanover Community Players, DancEnergy and others.
   5.2. The Friday night show will include the Town Crier as host, a ribbon cutting ceremony, and commemorative cake and Wine and Cheese hosted by the Lions Club. It was identified that the new capacity of the Community hall has been reduced to 200 people standing room. If the event is sold out (280) a schedule to stagger guests down to the Community hall in sections will need to be coordinated.
   5.3. The committee has 100 tickets to give away. A. Marshall will send tickets to cultural roundtable stakeholders. Committee Members are asked to email A. Marshall by Aug. 12 with additional names to invite. To avoid unused tickets, an rsvp requirement will be built into the invitation.

6. **Event Development Fund Final reporting.** Follow up discussion to ensure grants are paid to those that comply with the agreement, i.e., that HIPP Culture (the Town) is recognized. The committee consensus is no funds will be clawed back, and accountability will be taken into consideration when criteria is amended based on the experience of our first year.
