

## Who we are...?

The Saugeen Artists Guild is an artist's collective aimed at assisting established and emerging artists to market their work, increase sales, network with other artists and further their business skills. Our region covers all the Saugeen Watershed, but we also welcome artisans from outside this area as well. For more information of our current members visit our website.

- Consider becoming a member, submissions in person or on-line by our website
- Join us as a guest artist in our monthly meeting, the first Tuesday of the month at 7pm at St Matthew's Ev. Lutheran Church, Hanover or receive an email to be invited for a Zoom meeting to hear about the guild
- Shows and event opportunities occur throughout the year, posted on our website. On-line store available for members
- FREE Community Art Outreach at Church basement every Wednesday afternoon (Bring your art & get to know other artists!)
- The Saugeen Artists Guild offers a \$200 bursary to students pursuing a career in an arts related field, every June.
