Help Reduce Pool Closures

A pool fouling will cause a closure of our pools anywhere from 1 to 24 hours. Here are some healthy habits you can take to stop the spread of germs and reduce the number of closures in our pools:

- Take your kids on bathroom breaks or check diapers often.
- The use of a swim diaper is mandatory to enter the pool if a child is not yet fully toilet trained.
- Do not swim if you are feeling sick or have been sick in the past 24 hours. This is especially important for children in diapers.
- Wash your body thoroughly with soap and water before swimming.

Thank you for your assistance in keeping our pool clean for all to enjoy!

Lesson Expectations

Instructors & Assistant Instructors

All classes will be taught by a certified Lifesaving Society Swim Instructor. Our instructors have spent over 100 hours taking courses and volunteering in aquatic instructional programs to prepare them to teach your child.

First Lesson

To help ensure your child receives the best possible instruction, we kindly ask that you review the First Lesson Information Sheet that has been emailed to you. If your child is new to our program, please share a copy of their most recent report card from another facility. This information will help the instructor tailor lessons to best support your child's learning and progress.

Progress Evaluation

All participants in swimming lessons are evaluated on an ongoing basis throughout the session. Participants who complete all of the required skills will complete the level.

Swimming Attire

- All patrons must wear appropriate swimming attire suitable for a public / family environment.
- Swimming attire is defined as clothing that is clean and used specifically for the purpose of swimming.

Did You Miss a Lesson?

Swimming lessons may be cancelled due to unforeseen circumstances. **Make-up lessons are not available due to participant absence.**

Swim Lessons Prescreens

What level should you register in?

If you are unsure on what level to sign your child up for, it is highly recommended to schedule a prescreen time to have your child's swimming ability assessed. Staff members will evaluate your child's swimming abilities and recommend the appropriate level.

Call 519.364.2310 x 2121 to arrange a time.

Appropriate Levels

Your child's instructor may recommend a change in level if they feel your child is not registered in an appropriate level. **Staff reserve the right to move a child if circumstances dictate.**

Stroke Correction

Struggling with a specific swimming stroke? Join us and work on a variety of drill-type exercises to improve your strokes. **Prerequisite: Level Swimmer 3 and up. Must be currently enrolled in swim lessons. Preregistration is required.**

Fall & Winter Low Ratio Lessons

Low Ratio Swim Lessons

Low ratio swim lessons offer swimmers the advantage of having fewer participants per class, allowing for more personalized attention from the instructor to focus on individual swimming skills. These classes may be beneficial for participants who thrive in a smaller class size as low ratio lessons accommodate three participants per instructor compared to the typical 1:6 ratio. **Three (3) participants are needed to run the class.**

Heritage Committee

The Heritage Committee promotes Hanover's history, hosts heritage events, creates heritage displays and documents our Town's past through archive collection (photos, artifacts) and physical property inventory.

We encourage community members to help preserve our shared history by donating historical artifacts to the Heritage Committee. We are interested in photographs, documents, tools, textiles or memorabilia that reflects our Town's unique past. Donated items will be reviewed, and if accepted, preserved in the Town's archive storage.

If you have an item you would like to donate, please complete the Artifact Donation Form available at the P & H Centre.

Building Recognition Signs

Launched in 2017, the Hanover Heritage Committee's building recognition program recognizes eligible heritage properties with a distinctive sign that highlights the building's approximate date of construction, original owner and historical connection to Hanover. Originally introduced for commercial properties, the program has since expanded to include residential buildings, providing more property owners with the opportunity to celebrate and share the history of their property.

The program fosters community pride while promoting the preservation and appreciation of Hanover's built heritage. To be eligible, a building must be located within the Town of Hanover, be at least 75 years old and have recognized historical significance to the community. If you wish to inquire about the eligibility of your property, please contact Laura Christen at 519.364.2310 x 2123 or lchristen@hanover.ca.

To further explore Hanover's rich history, take the Hanover Historical Buildings Virtual Tour at hanover.ca/history-and-heritage or download the Driftscape app for a more interactive experience.

Heritage Display

Stop by the P & H Centre and view the heritage display cases! The display cases are changed quarterly and provide glimpse of our past using photos, artifacts and information. Past display themes have included water colours from long ago, music, arts and culture, sports, our downtown and featuring gadgets from our past.
